Lannings Recipe of the Week

CHEESE BURGER CASSEROLE

INGREDIENTS

12 oz (340g) dried elbow macaroni (about 6 cups dry pasta)  
1 1/2 lb ground beef (I like 80:20)  
2 tsp oregano  
1 tsp sea salt, plus more as needed for salting the pasta water

1 tsp black pepper  
1 tsp chili powder  
1 tsp ground cumin  
2 tsp butter  
1/2 cup chopped yellow onion  
1 tbsp minced garlic  
1/4 cup tomato puree

1 1/2 cup heavy cream  
1/4 cup chicken stock  
1/2 tsp dried parsley  
1/2 tsp dried basil  
2 cups shredded Monterey Jack cheese, divided  
2 cups shredded cheddar cheese, divided

DIRECTIONS

1. Preheat the oven to 400°F.

2. Boil the pasta: Put a large pot of slated water on to boil (1 tablespoon salt for every 2 quarts of water). Once the water has reached a rolling boil, add the dry pasta, and cook, uncovered, stirring occasionally, about 9 to 11 minutes, until mostly cooked through but still a bit firm to the bite. Using a colander, drain and set to the side.

3. Meanwhile, cook the ground beef: As the pasta cooks, heat a large skillet over medium heat and add the ground beef. Season with oregano, sea salt, black pepper, chili powder and ground cumin. Cook stirring occasionally, until the beef is browned and no longer pink, about 5 minutes.

4. Add the butter and aromatics: Add the butter, onions, garlic, and tomato puree to the skillet with the ground beef. Stir until all ingredients are combined.

5. Combine the pasta and ground beef: Add the cooked pasta to the beef mixture and stir to combine. Add the heavy whipping cream, chicken stock, parsley, basil, 1 1/2 cups of the shredded Monterey Jack cheese, and 1 cup of the shredded cheddar cheese. Stir until combined.

6. Add to a casserole dish: Transfer to a 9x13-inch Casserole dish (no need to grease) and top with the remaining cheese.
